RE: Rogers v State of Delaware Interim Status Report  
CA No. 05-721-KAJ

Dear Judge Jordan:

As noted in the scheduling order, this is the required Interim Status Report.

I will soon take the plaintiff's deposition, and serve additional requests for production. I expect the deposition to be conducted within the next two weeks. Plaintiff has not sought any further discovery from defendant, other than what was provided in the initial disclosures under Rule 26(a)(1).

After discovery, I expect to file a case-dispositive motion.

Some time ago I also requested plaintiff to provide me with a description of his settlement demands, which he provided. What he seeks is unacceptable to the State. Nonetheless, I will seek another statement after the deposition.

Honorable Kent A. Jordan
